

# MABE FAMILY NEWSLETTER FEBRUARY 2026

Sorry for the delay in our latest update. For those of you who don't know, we spent November 11 through January 13 in the United States for a visit. We had to primarily renew my passport, but we also wanted to spend time with our families. It was a wonderful visit with everyone we were able to see and visit with. We also were able to visit with several churches and provide an update on all that is happening in Nicaragua. The kids spent the majority of their time being sick and we all ended up having the flu at Christmas, but we made of the best of it. I guess you can see we are officially adapted to the Nicaragua climate and our bodies no longer like the cold. During December, we had our first every Pancakes with Santa fundraiser and bake sale. Thank you to all those who came out to support us and our ministry during the fundraiser. In January, we had the pleasure to see our nephew Gavin get baptized and our brother in law, Wes become a deacon at his church. This was a blessing for us to be a part of.

After the first two weeks in January, we headed back to Nicaragua. The day after flying into Nicaragua, Josiah got a touch of flu but thankfully it was mild. Hannah got braces here in Nicaragua the week after we came home.

Then this past weekend, we were finally able to return to English Class in San Juan de Limay. We missed the students for sure!! We are excited to have this opportunity to continue working with this community through English class. Sunday, we traveled to the city of Somotillo to a community called El Tejar. The name of the church was New Jerusalem Baptist Church (Iglesia Bautista Nueva Jerusalem). There we were able to give the children's ministry teacher their little box of supplies and 2.5 years of lessons for the kids. I shared with the children about the wonderful, and powerful creator we have through the Creation Story and Ryan also was able to preach to the adults of the church on Matthew 22:34-40. It was a wonderful time of worship and fellowship together.

We are working to schedule some other ministry activities over the next few months but public ministry has become a little more difficult for us. Please pray for God to open doors and continue to guide us and keep us safe.
