APRIL

We started the month of April visiting Iglesia Bautista El Camino in Tonalá with Pastor Mario and his wife Maria Jose. It was a wonderful treat to share Easter Sunday with them and their church. We presented the children's ministry with their 2.5 years of curriculum and box of materials. Pastor Frankie brought the message and then we shared in communion with fellow believers. It was a wonderful time of worship.

We traveled back to the states on April 8th with our last flight with Spirit. We started out spending time with family sharing time at a baseball game and the beach. We had a lovely visit with Mechanicsville Baptist church on April 15th. We shared with them all the things we are doing here in Nicaragua. They prayed for us and we enjoyed our time reminiscing with some of the people we first traveled to Nicaragua with back in 2017.

During the month of April and part of May, Ryan and the kids spent time at our home church, Southgate Baptist Church serving where they could. The biggest task they were able to help with was organizing the food pantry and preparing food boxes for delivery.

We were able to visit with so many friends and family members during the entire trip and we are so grateful for that time.

MAY

During the month of May, we visited with a few churches both in the states and at home. We visited with a new church in the states, Hasty Baptist Church, where we shared our ministry with them and all that God is doing in our lives. We are so thankful for this church and the love and support they show us. We also visited Mt. Pleasant Church in the states as well to give them an update and to have a more informal time of sharing and fellowship. What a blessing it was and the church is as well. When we returned home, we went to Iglesia Bautista Sea La Luz on the 18th, where a mission team from South Carolina was visiting. They were a blessing to hear from and to meet. Hannah also was able to help translate for Pastor Frankie during prayer time, which was a delight to see.

Hannah is growing more than she knows and we are so proud of her. Later that week on the 20th, we attended service again with the mission team at Iglesia Bautista Manatial de Vida in Tonalá with Pastor Ortilio. There were many who came to the altar for prayer and a blessing that we saw during this service was with a boy we had already met name Neyvin. Neyvin was one of the first young men we met with Daniela and the special needs ministry. The Monday before we left for the states Daniela had sent us a picture of him being baptized in the river and on the 20th, we were able to witness him worshipping the Lord during the service. This was blessing to see how God is working in his life.

Prayer Requests

We were so thankful for all the prayers for good health while we were in the states because no one in our family was sick! Praise the Lord. However, when we returned home Sarah got sick with what looked like a stomach bug but was determined to be a parasite. We were able to take her to the doctor and she received treatment and by the end of her treatment she was feeling much better. Thank you for your prayers for her during her sickness.

With that being said, we continue to ask prayers for good health. Parasites can happen more often than we know of and other illnesses as well. So we ask you to pray for good health over the next several months.

Prayers for us as we begin our time of ministry again over the next 6 months and where God will have us and what he would like us to do.

Pray for our finances and that God will continue to provide. We ask that the Lord provide more monthly donors to help us stay a little more financially stable. If you feel the Lord calling you to donate monthly, yearly, or even a one time gift, we are so thankful and the next page has the details for donating.
